

Prayer for the King and Princess of Wales

Holy God, you hold our lives your hands,
and bring healing, strength and peace.

Hold in your care King Charles,
Catherine, the Princess of Wales, and
all who have had a recent cancer diagnosis.

We ask for your strength and your love
to surround the Queen, the Prince of Wales
and the royal family

together with all families and friends
who support those in pain or distress.

We ask this in the name of the one
who healed the sick and gives us hope,
Jesus Christ Our Lord. Amen.
