Bookings update & Lunchtime concerts

Ticket sales have been phenomenal this year with some concerts sold out, and others very close to it, but for others there is still reasonable availability. With sold out concerts we do not operate a waiting list but any returns will be put back on the website so it is always worth checking there. It will be possible to purchase tickets on the door each evening subject, of course, to availability.

The quickest and easiest way to book is online but if you prefer to book in person, our Festival office in The Old Police Station, High Street, Chipping Campden, will be open each day from **May 9<sup>th</sup>** onwards. Opening times are planned to be 11.30am- 2pm each day but there may be times when our box office manager has to be elsewhere so, to save you a wasted journey up to the office, please check whether the 'Box Office open' sign is outside on the pavement before coming up. If it's not there we aren't open!

**Lunchtime Concerts** - we are delighted to be able to reinstate the Young Artists' lunchtime series of concerts this year. They all start at 1.05pm and run for approx one hour without interval. All seating is unreserved and tickets can be booked online or purchased on the door.
